

UL iQ for Printed Wiring Boards

PWB Category: Laminates (QMTS2) view all tradenames & trademarks

Material Designation: Country: Certified to Canadian Requirements

File Number: Company:

Tradename: Max Solder Temp (°C): show only assembly solder process types

Flame Class: Max Solder Time (sec): show only multiple solder limit types

General Category: Electrical RTI (°C): Max Operating Temp (°C):

Category: Mechanical RTI (°C): Min Ext Conductor Thk (mic):

Board Type: Hot Wire Ignition (HWI): Max Ext Conductor Thk (mic):

ANSI Type: Meets 746E DSR High Arc Ignition (HAI): Max Int Conductor Thk (mic):

Min Build up (mm): Meets 746E Non-HAL Comp. Tracking Index (CTI): Max Area Diameter (mm):
